

Keeping the Faith for Marriage Equality

Interfaith Candlelight Rally to Support Marriage Equality

Monday, November 2, 2009, 6–7 pm

Meet at First Christian Church, 80 S. Fifth Street in San José*
We will march to San José City Hall

At the one year anniversary of the passage of Proposition 8, we will stand together, not looking back — but moving forward — as part of a movement of faith communities across the state gathering this same evening!

Hear testimony from faith leaders, civic leaders and youth. Through prayers from diverse faith traditions, lively music and sacred scriptures, we will Keep the Faith for equality for all people.

Support friends in Maine and Washington state as they face ballot measures the next day — election day — which would strip same-sex couples of relationship protections.

Please bring candles with glass or plastic protective cups so wax does not spill!

*First Christian Church is between San Fernando and Santa Clara streets.

Easy VTA access!

Fifth Street garage is nearby and parking is free after 6 pm.

We will be inside the church if it rains.
